NORTH SKY NAMED TO IMPACT ASSETS' 2026 IA 50 LIST

Minneapolis, MN – North Sky Capital (“North Sky”) is honored to be named to this year’s [ImpactAssets 50](#)[®] (IA 50), one of the most recognized and respected lists of fund managers in the impact investing sector. North Sky has been included in the list since 2017, making it one of 40 private equity firms achieving Emeritus Manager status on this year’s list.

Now in its 26th year, North Sky remains committed to delivering demonstrable social and environmental impact while achieving attractive financial returns.

“We are pleased to be recognized again as an Emeritus Manager by ImpactAssets and thank the review committee for their selection efforts,” said Scott Barrington, Co-CEO of North Sky Capital. “For more than two decades, we have been playing a central role in this vibrant impact ecosystem, delivering real impact and creating value for our investors regardless of the ebb and flow of market conditions.”

“The impact marketplace is maturing. It is now a core investment strategy, and we are ever grateful to be included as a trusted resource within the IA 50,” added Gretchen Postula, Managing Director and Head of Investor Relations of North Sky Capital.

The IA 50 is the industry’s most comprehensive database for identifying best-in-class impact investment fund managers dedicated to delivering measurable impact alongside financial returns. This year’s list features 193 experienced and emerging impact investment fund managers, the highest number to date.

The full IA 50 database is available at [impactassets.org/IA-50](https://www.impactassets.org/IA-50).

About North Sky Capital

North Sky Capital is a pioneer in impact investing. Now in its 26th year, North Sky has deployed more than \$1.6 billion across approximately 200 impact investments on behalf of its various impact funds. The firm has two flagship investment strategies: impact secondaries (private equity) and sustainable infrastructure. Both strategies support positive environmental and social impact while targeting market rate investment returns. North Sky has been an active impact investor since the beginning of the modern era of private markets impact investing in 2005. About the ImpactAssets 50

[ImpactAssets 50® \(IA 50\)](#) is the definitive guide to impact investing fund managers globally. The publicly available database is composed of experienced and emerging private debt and equity impact investment fund managers committed to generating positive impact. The IA 50 2026 reflects the innovation and exponential growth of impact investing that the IA 50 has helped to spotlight over last 15 years. The IA 50 is not an index or investable platform and does not constitute an offering or solicitation to buy or sell securities or a private placement, or recommend specific products. Nor is this an endorsement of any of the listed fund managers. It is not a replacement for due diligence. Additional details on the selection process are available [here](#).
